Dynamic Team Page Notes

~~~~~~

A page that displays images and descriptions of both team members. Clicking the name at the top of the page will change the contents of the page and display the information of the other team member.

Steps:
1. Write dev notes
2. Design page
3. Write descriptions
4. Choose content
5. Add content to page using html
6. Style html using CSS
7. Add array
8. Add content to array
9. Make the content switch out when button is clicked

Considerations:
-Make page simple
-Include only information about team members
